

# Greg DiPietro

Front End Developer / Pittsburgh, PA

---

## ABOUT

A problem solver and critical thinker that has the users' interest first. My expertise in front end development and interaction design pair with a wide array of technical and communication skills. I've been building and honing my craft for over 10 years.

**Phone:** (724) 689-2427    **Email:** [gjdipietro@gmail.com](mailto:gjdipietro@gmail.com)
